

A PARTNERSHIP OF

NYSIM ends 2012 with a Bang!

Despite our relocation, NYSIM hosted over 600 learners that participated in over 26 programs in December 2012.

We are also happy to report that in 2012 NYSIM hosted 681 programs and over 10,000 learners. We look forward to returning back to our space by mid-February and partnering with our community for greater successes in 2013!
