

A PARTNERSHIP OF

Simulation Fellowship Approved

On Monday, March 4, 2013 Drs. Sondra Zabar, Colleen Gillespie, Elizabeth Kachur and Angela Burgess conducted NYSIM's first faculty development workshop teaching faculty techniques on creating education and assessment programs utilizing standardized patients. The program was attended by 25 learners. If you would like to attend this or similar workshops please contact us directly at 646.501.4000.

Save the Date: Simulation Instructor Training in New York City!

In collaboration with the Center for Medical Simulation, NYSIM will be holding a 4-day intensive healthcare simulation instructor training course.

Dates: Tuesday, June 11, 2013 – Friday, June 14, 2013

Course Fee: 4400.00

For more information please contact joanne.choi@nyumc.org

NYSIM Community Meeting

Dr. Anne Dembitzer presented at the March NYSIM Community Meeting on The Use of Objective Structured Teaching Examinations (OSTEs). Afterwards, Professor Everett Flannery, Chairperson of the Allied Health Sciences Department showcased the Human Patient Simulation Laboratory lab at Borough of Manhattan Community College – CUNY.

Our next NYSIM Community Meeting is scheduled for the evening of Monday, April 8, 2013. Please stay tuned for details.

NYSIM Advisory Council Meeting

On the morning of March 12, 2013, the NYSIM Advisory Council conducted their bi-monthly meeting to discuss various policy issues concerning NYSIM operations including the consenting process, the scheduling process, program & faculty development as well as a video retention policy.

NYSIM will be presenting progress on these policies as well as the NYSIM strategic plan during our May Meeting.

Faculty Development Corner:
