

A PARTNERSHIP OF  

NYSIM Simulation Fellowship Approved

NYSIM is excited to announce that on Friday, March 15, 2013 the GME committee reviewed and approved the request to create a new Simulation and Education 1-year Fellowship (non-AGCME) Program with the anticipated start date of July 1, 2013.

NYSIM Community Meeting

Our next NYSIM Community Meeting is scheduled for the evening of Monday, April 8, 2013. Please stay tuned for meeting location and topic. If you would like to attend and/or recommend a topic for discussion please reach out to us directly at 646.501.4000

New York City College of Technology joins NYSIM Family

On March 2nd & 9th, New York City College of Technology (NYCCT) conducted their first interprofessional education standardized patient program with outstanding success. This program joined Human Services, Dental Hygiene, Healthcare Services Administration and Nursing students in a scenario that addressed communication and patient safety issues between these professions.

Faculty Development Corner:
