NYSIM Highlights: Poster at SGIM Annual Meeting!

Photo Description: Brielle and Sandy in front of their poster

Earlier this month Brielle Blatt and Sandy Zabar of NYSIM's Standardized Participant (SP) team attended the Society of General Internal Medicine's (SGIM) Annual Meeting, and presented their research poster entitled, "Addressing Diversity, Equity, and Inclusion in Simulation through Development of a Central Education Resource: OSCE Case Library and Diverse Standardized Patient Workforce". This research was a collaborative effort between NYSIM and the NYU Grossman School of Medicine's Office of Diversity Affairs (ODA). It demonstrated ways that NYSIM is poised to serve as a resource for our learning community by making DEI education accessible and authentic, while meeting accreditation expectations. NYSIM thanks our Standardized Participants, ODA, faculty and NYSIM staff for their contributions!

NYSIM Highlights: SGIM 2022's Career Achievement in Medical Education Award

NYSIM is proud to celebrate that the Society of General Internal Medicine presented Dr. Sondra Zabar with the Career Achievement in Medical Education Award for her outstanding lifetime contributions to medicine and medical education. Dr. Zabar is Director of NYULH's Division of General Internal Medicine and Clinical Innovation, directs the Program for Medical Education Innovations and Research (PrMEIR) at NYULH, and is Director of NYSIM's Standardized Participant Program. She also served as Co-Director of the Primary Care Internal Medicine Residency Program at NYU for 20 years, has published over 90 articles, and co-edited a seminal book on Objective Structured Clinical Examinations (OSCE) in 2013. Please join NYSIM in extending congratulations to Sandy on this most recent achievement. Thank you, Sandy for your leadership, service, scholarship and mentorship!

News at NYSIM

The New York Simulation Center (NYSIM) is committed to supporting safe operations for all learners, faculty & staff.

Please note the following operational changes in order to support safe operating procedures:

1. *NYSIM will adhere to recommended individual numbers per space which are posted throughout the simulation center.*
2. *Group sizes larger than 9 require attendees to be 14 days or more past the completion of their COVID-19 vaccination series; no exceptions.*
3. *All individuals entering Bellevue Hospital (therefore NYSIM) will require a temperature check in the Bellevue Lobby. Individuals may also be required to complete a symptom check.*
4. *All individuals will be required to use hand sanitizer as they enter NYSIM, and continue to follow good hand hygiene while in NYSIM.*
5. *All individuals will be asked to practice social distancing when possible and remain at least six feet apart even when wearing masks.*
6. *Surgical masks must be worn at all times while in NYSIM, unless alone in a closed room.*
7. *All individuals will be asked to report directly to the simulation rooms, when possible. Social distancing is required while individuals wait in the lobby.*
8. *No food or drink is permitted. All individuals will be asked to store any food/drink in a locker, or throw it away.*

NYSIM will work with scheduled programs to adhere to the precautions above. If anyone has any questions/concerns they should contact NYSIM@nyulangone.org. Leadership at NYSIM will respond promptly to the email.

*Thank you,
NYSIM Team*

NYU Langone Health

Everyone is required to wear a face mask, and maintain social distance of 6 feet from others.

A diagram showing two stylized human figures, one female and one male, standing on a horizontal line. A double-headed arrow between them is labeled "6 FEET". Both figures are wearing face masks.

Wear your face mask at all times in this facility.

Clean your hands often with soap and water or alcohol-based hand sanitizer. **Do not touch your face.**

Three icons: 1. A person wearing a mask with arrows pointing to the nose and chin, labeled "Cover your nose" and "Cover your chin". 2. A hand being washed with soap suds, labeled "Clean your hands". 3. A person touching their face with a red prohibition sign over it, labeled "Do not touch your face".
