NYSIM Equipment: SimMoms Back in Action!

After a long trip to Laerdal's Service Center for extensive repairs, our SimMoms April and June are back in house and ready for use in simulation scenarios! Both manikins have been updated, with notable repairs to their manual and automatic delivery functionality. We are thrilled that our SimMoms are back and running as new. Check them out at your next OB Simulation!

NYSIM Highlights: Center Sign-In & Sign-Out

NYSIM is going green! Starting February 1st, 2020, all learners and faculty participating in programs will sign in and sign out for center programs using the visitor kiosks in the lobby.

To learn more, visit <http://nysimcenter.org/kiosk>

You may also have noticed a slight change in our lobby's schedule displays. Thanks to our new learning management system, current day and next day schedules now rotate on our lobby LCD screens!

Our course calendar can also be found here:
