

## News at NYSIM

### NYSIM Welcomes Two New SOAs!

This month NYSIM is proud to welcome two Simulation Operations Associates (SOA) to both our SIM and OSCE teams! SOAs are instrumental in planning and supporting all simulation education here at NYSIM.

Willie Lombeida started his career at NYSIM in early 2022 as a Simulation Operations Associate. Prior to joining NYSIM, Willie worked as a Simulation Operations Program Coordinator at Kaplan Medical for 12 years. Willie also has a background in graphic design and visual arts. Willie has a passion and enthusiasm for utilizing his organizational, creative and leadership skills to empower and support healthcare learners for success in their OSCEs, and he is excited to be a part of the NYSIM team.

Prior to joining NYSIM in November 2021, Austin Lange worked as an Emergency Medical Technician for the past 3 years in Arizona and New Jersey. Austin has a Bachelor of Science from Arizona State University where he majored in Biological Sciences with a concentration in Genetics, Cell and Developmental Biology with a minor in Criminology and Criminal Justice.

Please join us in extending a warm welcome to Willie and Austin!

### Teaching at NYSIM

If you are interested in teaching with us, please see the link below to request a program here at NYSIM:

<http://nysimcenter.org/request-new-program>

Submit an education consult request to meet 1:1 with a Director who can answer questions, and help you develop your new or existing program!

## News at NYSIM

***The New York Simulation Center (NYSIM) is committed to supporting safe operations for all learners, faculty & staff.***

*Please note the following operational changes in order to support safe operating procedures:*

1. *NYSIM will adhere to recommended individual numbers per space which are posted throughout the simulation center.*
2. *Group sizes larger than 9 require attendees to be 14 days or more past the completion of their COVID-19 vaccination series; no exceptions.*
3. *All individuals entering Bellevue Hospital (therefore NYSIM) will require a temperature check in the Bellevue Lobby. Individuals may also be required to complete a symptom check.*
4. *All individuals will be required to use hand sanitizer as they enter NYSIM, and continue to follow good hand hygiene while in NYSIM.*
5. *All individuals will be asked to practice social distancing when possible and remain at least six feet apart even when wearing masks.*
6. *Surgical masks must be worn at all times while in NYSIM, unless alone in a closed room.*
7. *All individuals will be asked to report directly to the simulation rooms, when possible. Social distancing is required while individuals wait in the lobby.*
8. *No food or drink is permitted. All individuals will be asked to store any food/drink in a locker, or throw it away.*

*NYSIM will work with scheduled programs to adhere to the precautions above. If anyone has any questions/concerns they should contact [NYSIM@nyulangone.org](mailto:NYSIM@nyulangone.org). Leadership at NYSIM will respond promptly to the email.*

*Thank you,  
NYSIM Team*

**NYU Langone Health**

**Everyone is required to wear a face mask, and maintain social distance of 6 feet from others.**

A diagram showing two stylized human figures, one female and one male, standing on a horizontal line. A double-headed arrow between them is labeled "6 FEET".

**Wear your face mask** at all times in this facility.

**Clean your hands often** with soap and water or alcohol-based hand sanitizer. **Do not touch your face.**

Three icons: 1. A person wearing a mask with labels "Cover your nose" and "Cover your chin". 2. A hand being washed with soap suds. 3. A person touching their face with a red prohibition sign over it.
