

News at NYSIM

NYSIM presents at International Meeting on Simulation in Healthcare (IMSH) 2023!

NYSIM's SP Program Supervisor Brielle Blatt and Associate Medical Directors Deepak Pradhan, MD and Joanne Agnant, MD attended the International Meeting on Simulation in Healthcare (IMSH), an annual conference that explores the latest innovations and best practices in healthcare simulation. We can hardly wait to share our learnings and future new equipment with the NYSIM learning community!

Brielle Blatt presented at the Poster Professor Rounds on "Addressing Diversity, Equity, and Inclusion in Simulation through Development of a Central Education Resource: OSCE Case Library and Diverse Standardized Participant Workforce". We would like to thank our poster co-authors: Katie Allen, Katie Tame, Ginny Drda, Richard Greene, Jeffrey Manko, Donna Phillips, and Sandy Zabar.

We recently published an article on this topic in "Really Good Stuff" in the Medical Education journal. Read about our work in the article linked here: <https://onlinelibrary.wiley.com/doi/epdf/10.1111/medu.14900>

News at NYSIM

NYSIM welcomes new Standardized Participants to the team!

NYSIM employs 130+ per-diem Standardized Participants (SPs). Our SPs portray a wide variety of cases and roles, such as patients, family members, learners, and health professionals. They are trained to provide written and verbal feedback to learners at all levels. Our OSCE case library has approximately 350 SP cases, serving as a central resource to the education community.

For SP contact information, submit a referral request here: <http://nysimcenter.org/standardized-participant-referral-request>

Learn more about the SP program here: <http://nysimcenter.org/services/spprogram>

Upcoming Events at NYSIM

Comments, suggestions and questions to NYSIM@nyulangone.org are always welcome to create a better learning and teaching environment for our faculty and learners.

NYSIM Fundamentals of Simulation Education (FUSE) Course 2022-2023

The 3-day NYSIM FUSE Course is the ideal immersive experience for all levels of simulation instructors. The course focuses on simulation design, management, and debriefing. Logistically it functions as a workshop where participants will gain the tools to take a problem or issue germane to them, craft their own learning objectives for a simulation, write their own case scenario, create their own checklists of simulation performance, pilot their simulation, and engage in debriefing practice all while receiving feedback from a community of educators. Join us and help light the FUSE to spark your simulation-based education!

The course will continue to be held live and onsite at NYSIM, implementing safety guidelines that can be found at the NYSIM website: <http://nysimcenter.org/>

2023 FUSE registration is now open!

July 26 - 28, 2023, Wednesday through Friday —Waitlist only

August 23 - 25, 2023, Wednesday through Friday

November 8 - 10, 2023, Wednesday through Friday—Waitlist only

To request a spot on the waitlist click the following link:

<http://www.nysimcenter.org/courses/instructor-courses>

You will be contacted by Porsche Scott (Porsche.Scott@nyulangone.org) to confirm your waitlist status. Please email Porsche Scott with any questions.

News at NYSIM

The New York Simulation Center (NYSIM) is committed to supporting safe operations for all learners, faculty & staff.

Masks are now optional at NYSIM. The new masking safety guidelines have been updated to align with NYU Langone Health policy and reflect Department of Health recommendations. We will continue to make masks available at the front desk. We ask that anyone with fever, cough, or other flu and COVID-like symptoms not come to NYSIM.

Programs may elect to require masks for SP's, learners and faculty. This will be at the discretion of the program, and the responsibility of the program to communicate and enforce mask-wearing with the participants.

Food and drinks are not permitted at NYSIM. Please remind your learners to refrain from bringing food to NYSIM, and ask them to store food and drink in their backpack or a locker. Thank you for your help in maintaining a clean environment.

If anyone has any questions/concerns they should contact NYSIM@nyulangone.org. Leadership at NYSIM will respond promptly to the email.

***Thank you,
NYSIM Team***
