

## News at NYSIM

### **NYSIM would like to introduce Rebecca Pertab—Simulation Operations Specialist**

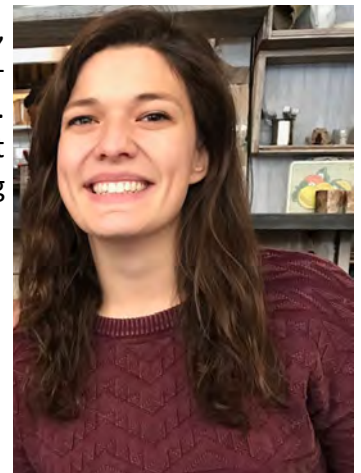

Rebecca Pertab, B.A. has a diverse background with experience in clinical office procedures, office administration, and research. She began her career at NYULMC Department of OBGYN supporting the faculty group practice (FGP) as well as the director of the Division of Diagnostic Ultrasound. She has also supported several clinical trials in the Department of OBGYN, Family Planning Division. Rebecca is currently a first year MPH student at NYU with a concentration in Community and International Health. She joined the Simulation Center in March 2017 as a Simulation Operations Specialist.

### **NYSIM would like to introduce Sierra Cutler—Office Assistant**

Sierra Cutler received her B.S. in Human Physiology at University of Oregon. Shortly after, she moved to New York to complete a year of service with AmeriCorps at Ryan Community Health Center, where she was involved in community outreach and health education. Sierra also worked as a care coordinator before joining the NYSIM team. When she is not working, Sierra participates on a club women's rugby team and hopes to apply to nursing school in the coming years.

Sierra Cutler

### **NYSIM IT Update**

NYSIM has upgraded all of the desktop computers and monitors. The new computers are equipped with the latest Intel Core i5 Processors to enhance your program's experience here at the center. With the new 22" monitors, your learners and SPs will have an easier time filling out their checklists!

Please feel free to email us if you have any questions regarding the new computers at [nysimIT@nyumc.org](mailto:nysimIT@nyumc.org).
