NYSIM Highlights: Updated Mission & Vision

Donna Phillips, MD is the Assistant Dean for Simulation Education and is leading the New York Simulation Center for the Health Sciences (NYSIM).

In collaboration with the NYSIM stakeholders, Directors and CUNY Partners, Dr. Phillips amended NYSIM's Mission & Vision Statement, adding new Guiding Principles. This new vision will provide NYSIM further strategic direction that informs the educational mission. We are happy to announce that the NYSIM Steering Committee has ratified the Mission, Vision & Guiding Principles this October 2020.

We encourage all the users of NYSIM to review and embrace the new statements below:

Mission:

The mission of NYSIM is to provide simulation education and research that fosters quality care, patient safety, and effective communication with patients and among health care professionals.

Vision:

NYSIM will be the hub of simulation education in the health sciences at CUNY & NYU Langone Health and through its simulation education and research, will improve health outcomes, equity, and safety.

Guiding Principles:

We will:

- Expand NYSIM accessibility for all learners
- Assess educational and health outcomes through research and data analysis
- Cultivate a culture of continuous improvement in our educational programs focusing on quality, safety, and research
- Continue education consultations to ensure high quality simulation activities across disciplines
- Model teamwork, communications, respect, kindness, diversity, excellence, and collaboration throughout NYSIM to create a safe, non-judgmental learning environment.
- Increase our visibility locally, nationally, and globally

If you have any questions regarding the vision and mission, please feel free to reach out at :

6th Annual

Hot Topics in Simulation Education

A New York City Simulation Symposium

Sponsored by the New York Simulation Center
for the Health Science (NYSIM)

Registration for NYSIM'S 6th Annual Hot Topics in Simulation Education Virtual Symposium is now open!

The virtual symposium will be held on Friday, October 30, 2020, from 11am – 4:15pm with a virtual happy hour to follow. CME and CE credits will be available for physicians and nurses. Please visit the symposium site to learn more and to register:

<http://nysimcenter.org/symposium/hot-topics>

Date:

Friday, October 30, 2020

Time:

Virtual Symposium: 11am-4:15pm

Virtual Happy Hour: 4:15pm-5:00pm

Location:

Via Webex

Who should attend?

All educators in health professions who want to learn more about the latest innovations and best practices in simulation education.

What does the day include?

Plenary sessions, breakout sessions.

Symposium fee:

Fee: \$20

Free for NYULH and CUNY.

Upcoming Events at NYSIM

Comments, suggestions and questions to NYSIM@nyulangone.org are always welcome to create a better learning and teaching environment for our faculty and learners.

NYSIM Instructor Course 2020-2021

The 3-day NYSIM Instructor Course focuses on debriefing skills and simulation design. Sessions include Objective Oriented Debriefing, Advanced Debriefing Topics and Simulation Scenario Design. The course will continue to be held live and onsite at NYSIM, implementing safety guidelines that can be found on the NYSIM website (<http://nysimcenter.org/>).

Participants are required to wear surgical masks, and if you do not have one, it will be provided.

2021 Sessions:

January 26-28, 2021 Tuesday through Thursday - Registration Open

February 16-18, Tuesday through Thursday - Registration Open

March 1-13, Monday through Wednesday - Registration Open

July 11- 15, Tuesday through Thursday - Registration Open

August, 9-11, Monday through Wednesday - Registration Open

November 16-18, Tuesday through Thursday - Registration Open

To request a spot click the following link: <http://www.nysimcenter.org/courses/instructor-courses>

You will be contacted by Soma Roy (Soma.Roy@nyulangone.org) to confirm your registration. If the course is full, you will be notified of waitlist status. Please email Soma Roy with any questions.

News at NYSIM

NYSIM Updates: COVID-19 Precautions Continue

As the new semester is underway, NYSIM would like to continue to highlight some key elements of our increased safety and sanitation measures. We are committed to supporting safe operations for all learners, faculty & staff. Please note the following operational changes in order to support safe operating procedures:

- 1. All educational programs will require an intake or re-intake that may or may not require a redesign to keep faculty, learners and staff safe*
- 2. All individuals entering Bellevue Hospital (therefore NYSIM) will require a temperature check in the Bellevue Lobby*
- 3. All individuals will be required to wear a surgical mask at all times. NYSIM can provide a surgical mask if an individual is not wearing one*
- 4. All individuals will be required to follow good hand hygiene*
- 5. All individuals will be asked to practice social distancing when possible*
- 6. All individuals will be asked to report directly into the simulation rooms. The lobby is closed.*
- 7. Food and drink are not allowed. All individuals will be asked to discard or store their food/drink in lockers.*

If you have any questions please email nysim@nyulangone.org or call (646)501-4000. We greatly appreciate your compliance, and look forward to seeing you at your next program!

Everyone is required to wear a face mask, and maintain social distance of 6 feet from others.

Wear your face mask at all times in this facility.

Clean your hands often with soap and water or alcohol-based hand sanitizer. **Do not touch your face.**
