NYSIM Highlights: New Simulation Equipment!

NYSIM is pleased to share two new task trainers acquired to improve and expand simulation education resources. The first, pictured to the right, is a **CorMan Adult Nasogastric/Nasojejunal Feeding Trainer**. It includes:

- Measurement, placement and securement of nasogastric and nasojejunal tubes
- Insertion of gastrostomy device
- Tube misplacement into left or right lung
- Enteral feeding via nasogastric, nasojejunal or gastrostomy devices
- Administration of liquid based medicines
- Not ultrasoundable

The second, pictured to the left, is a **Birthing Simulator PROMPT Flex - Advanced**. This trainer's modular design allows for multiple training scenarios that you can tailor to your specific course needs. Additional modules and features include:

- Postpartum Hemorrhage (PPH), Enhanced C-Section, Cervical Dilatation & Effacement (CD&E), Cervical Cerclage, Lower Legs, Compression Suture Uterus
- Baby model has improved shoulder and hip joints
- Bluetooth enabled baby allows for Force Monitoring with a scenario-based software (downloadable from the website)
- Drills run with the software can be recorded for later review

To view these and all of our task trainers, please visit:

News at NYSIM

NYSIM welcomes new Standardized Participants to the team!

NYSIM employs 130+ per-diem Standardized Participants (SPs). Our SPs portray a wide variety of cases and roles, such as patients, family members, learners, and health professionals. They are trained to provide written and verbal feedback to learners at all levels. Our OSCE case library has approximately 350 SP cases, serving as a central resource to the education community.

For SP contact information, submit a referral request here: <http://nysimcenter.org/standardized-participant-referral-request>

Learn more about the SP program here: <http://nysimcenter.org/services/spprogram>

Upcoming Events at NYSIM

Comments, suggestions and questions to NYSIM@nyulangone.org are always welcome to create a better learning and teaching environment for our faculty and learners.

NYSIM Fundamentals of Simulation Education (FUSE) Course 2022-2023

The 3-day NYSIM FUSE Course is the ideal immersive experience for all levels of simulation instructors. The course focuses on simulation design, management, and debriefing. Logistically it functions as a workshop where participants will gain the tools to take a problem or issue germane to them, craft their own learning objectives for a simulation, write their own case scenario, create their own checklists of simulation performance, pilot their simulation, and engage in debriefing practice all while receiving feedback from a community of educators. Join us and help light the FUSE to spark your simulation-based education!

The course will continue to be held live and onsite at NYSIM, implementing safety guidelines that can be found at the NYSIM website: <http://nysimcenter.org/>

2023 FUSE registration will open on November 1st, 2022

November 14 - 16, Monday through Wednesday - **Waitlist Only**

January 18 - 20, 2023, Wednesday through Friday

March 1 - 3, 2023, Wednesday through Friday

July 26 - 28, 2023, Wednesday through Friday

August 23 - 25, 2023, Wednesday through Friday

November 8 - 10, 2023, Wednesday through Friday

To request a spot on the waitlist click the following link:

<http://www.nysimcenter.org/courses/instructor-courses>

You will be contacted by Porsche Scott (Porsche.Scott@nyulangone.org) to confirm your waitlist status. Please email Porsche Scott with any questions.

News at NYSIM

The New York Simulation Center (NYSIM) is committed to supporting safe operations for all learners, faculty & staff.

If anyone has any questions/concerns they should contact NYSIM@nyulangone.org. Leadership at NYSIM will respond promptly to the email.

*Thank you,
NYSIM Team*

NYU Langone Health

Everyone is required to **wear a face mask**, and **maintain social distance of 6 feet** from others.

Wear your **face mask** at all times in this facility.

Clean your hands **often** with soap and water or alcohol-based hand sanitizer. **Do not touch your face.**

Cover your nose. Cover your chin.
