NYSIM Highlights: Leadership Updates

NYSIM extends a heartfelt thank you and farewell to Dr. Jeff Manko, one of our remarkable directors as he takes on a larger role in the Emergency Medicine Department. In his role at NYSIM, Dr. Manko has supported countless SIM and OSCE programs for our CUNY and NYU Grossman School of Medicine partners. Dr. Manko created a fun, engaging, and outstanding environment for simulation education at NYSIM. We know our colleagues at the Emergency Medicine Residency are lucky to have him as program director. Thank you, Dr. Manko for all of your contributions to NYSIM's team, mission, and vision. Please join us in thanking and congratulating Dr. Manko!
